STAT

MEMORANDUM FOR: [REDACTED]
Chief, Naval Operations Branch
Soviet Strategic Forces Division/OSR

FROM: Director of Central Intelligence

SUBJECT: Soviet Topics

Attached are some unclassified papers that a former Naval associate of mine, [REDACTED] gave to me the other day. He is apparently in rather frequent contact with the Soviets on matters of disarmament and naval balance. I pass them to you only to let you know what [REDACTED] is doing. The papers and his dialogues may or may not be of any interest to you. You are under no obligation to follow up on this in any way, but if you are interested I am sure [REDACTED] would be pleased to cooperate.
